Lt. Col. V. R. Beck
Base Transportation Officer
Headquarters, U. S. Army, Alaska
Fort Richardson, Alaska

Dear Colonel Beck:

On Sunday, May 9, 1948, a Lieutenant (white) and three enlisted men (colored) travelled in a jeep and a six by six truck from Clear to Nenana and return, using the railroad track and operating these vehicles on the ties and over the bridges. It was further indicated that the men in this group were drinking when they left Clear and that they were intoxicated when they returned from Nenana.

It is requested that corrective action be taken to prevent recurrence of the above-mentioned incident.

Yours very truly,

Signed J. T. Cunningham
