To Whom It May Concern:

Your shipment was inspected and found in noncompliance with 49CFR, the hazardous materials transportation regulations, in the parts, subparts, and sections as noted above. Federal law forbids The Alaska Railroad from accepting and you, as a shipper, from offering hazardous materials not prepared in accordance with the regulations (reference 49CFR 171.2(a)).

For further information and or assistance, please contact Tom Dome, ARR Hazardous Materials Specialist at 265-2476 or 2434.

Thank you.
